### New and Improved Calf Massage

The Galaxy 2022 features a new Calf massage technique that not only rubs the calf like its predecessors but uses a combination of Kneading, hot compress and movement in the calf area to cover a much larger area.

### 3 Methods of Control

- Voice Control
- LED Screen
- Quick Arm Control

### Anti- Pinch Technology

The anti-pinch technology is a safety feature that stops the massage chair should an obstruction such as a child or dog wander behind the chair whilst it is in use.

Full body enveloping airbags

Full body airbags

Back & waist heat

### Set the Mood

With Features such as adjustable mood lighting and built in relaxation sounds the atmosphere is set for the perfect massage. Feel your stress fade away as you immerse yourself in The Galaxy 2022.

### High Quality Bluetooth Speakers

### Air Ioniser

### Wireless Phone Charger & USB

### Emergency Stop Button

Unlike massage chairs before it The Galaxy 2022 with it's Dual Core Rail System is certainly in a league of it's own. The Dual Core technology provides 2 large areas of massage at the same time. The Galaxy's features are second to none and the massage that this chair delivers is superb.

Dual Core technology is the main stand out feature on The Galaxy 2022. Previously we have seen S Tracks and L tracks and relied on a massage that barely touches our body's surface, until now. The Dual Core System delivers your massage from the neck down AND from the thighs up, all at the same time. The result is double the massage. It certainly redefines a massage.

### 30+ Special Techniques Exclusive to The Galaxy 2022

- Neck** - A new pinching + lifting combination effectively stimulate the Tianzhu and Fengchi acupoints which is beneficial for refreshing the brain.
